THE PERFORMANCE

Rubbish is an innovative performance about the 3 R's – **Reduce, Reuse** and **Recycle**. Multi award winning "Magic Mic" Conway gets the message across with a circus of comedy, magic and mayhem. He puts the fun into **Recycling** with all kinds of junk musical instruments. Mic **Reuses** the garbage out of the bin to make magic and **Reduces** his audience to tears of laughter with his songs and serious silliness!

Musical garbage bins and rubbish, junk costumes, light juggling, magic with water bottles and cans, ripping newspapers, a cranky little boy puppet and loads of audience participation make for a load of rubbish! – entertaining and educational rubbish. Mic has worked with and has the support of SCRAP (School Communities Recycle All Paper).
