

# 2019 PRESCHOOL & KINDERGARTEN

## Puppets/Drama – Presented by Little Wing Productions

### \* **A Little Bit of Blue**

An interactive environmental detective story told through puppetry. As well as helping to unravel a mystery, students will learn about the extraordinary habits of Bowerbirds and why they are so fascinated by the colour blue. The story begins with strange disappearances from Mrs Mavis Hooley's home. Only little things are going missing - some clothes pegs, a tea cup, a ball of wool. But then the thief takes it just one step too far. Mavis calls in a detective to investigate and the children help him to solve the case.

**Cost: \$350 gst n/a - For a maximum of 35 children**

### \* **Trinket the Robot**

Based on the tale of Pinocchio, Trinket the Robot is the story of a lonely inventor who yearns for a child of his own and bestows on his invention the ability to learn new things. The children help Trinket to learn about the world. They teach him about shapes, numbers, letters and living things. He learns that to become human is to not only feel wonder and joy, but to also know sadness, pain, anger and fear. The show also explores emotional literacy and offers strategies to understand and cope with different feelings.

**Cost: \$350 gst n/a - For a maximum of 35 children**
