*** *Spotty Bear's Amazing Journey - Lionel Robinson*** - Spotty Bear is a most unusual bear. He is covered in spots of every colour. And he's not happy. With words, music and song, Lionel tells the story of the bear who leaves home to try and lose his spots. He travels to faraway places where they do things differently - the Land of Ice & Snow, the Land of the Sad Princesses, Upside-down Land... and he starts to think that maybe being different is what makes us all special.

Singing, dancing and games for all, dressing up, counting, spelling and making up songs together... join Lionel & Spotty Bear on their fun-filled adventures!

Cost: \$330 gst n/a for up to 35 students. 2 sessions at the same centre back-to-back \$600

*** *What I did on my Holidays - Lionel Robinson***

Lionel is back from a fantastic holiday with a suitcase full of songs about the places he has seen and all the curious creatures he has come across. Where's he been? Everywhere! The farm, the bush, the beach, the jungle... He's been on buses, planes, boats and trains! With the help of his magic keyboard he is going to tell you all about it.

Everyone gets to join in. There are lots of songs you know, actions and dancing to be done, and somebody even gets to play on the amazing keyboard!
